

# A Heartfelt Tribute

Thousands of candles  
can be lighted from a  
single candle, and the  
life of the candle will not  
be shortened. Happiness  
never decreases by  
being shared.

Every year Princeton HealthCare System Foundation honors deceased loved ones through the inscription of their names on our Memorial Wall, which is prominently displayed in the hallway across from the Chapel of the University Medical Center of Princeton at Plainsboro. This tradition is made possible through the generosity of family and friends whose cumulative gifts to Princeton HealthCare System in memory of a deceased loved one total \$2,500 or more. To commemorate this lasting tribute, a ceremony is held each year within the Medical Center to which family members and friends of the memorial honoree are invited. A poignant feature of the ceremony is the reading of loved ones' names which have been added for the year to the Memorial Wall.

Memorial gifts of all sizes to the Foundation provide vital support for patient care and community programs. Upon receipt of these memorial gifts, the Foundation will send a letter to the family listing the donors who contributed in memory of their loved. On behalf of our patients, community members and medical staff, we are deeply grateful for your thoughtful generosity.
